

Every day, with every light, and for every project ...

... we are committed to durability. As we design, engineer and manufacture our products for the marine industry, we are constantly thinking about sailors and what they need to do their jobs safely and effectively.

Our fixtures have been tested and proven ...

... in the most extreme conditions for over 78 years. We use measures like potted drivers, high quality finishes and marine grade components to ensure our fixtures thrive in the marine environment and last longer than any other option.

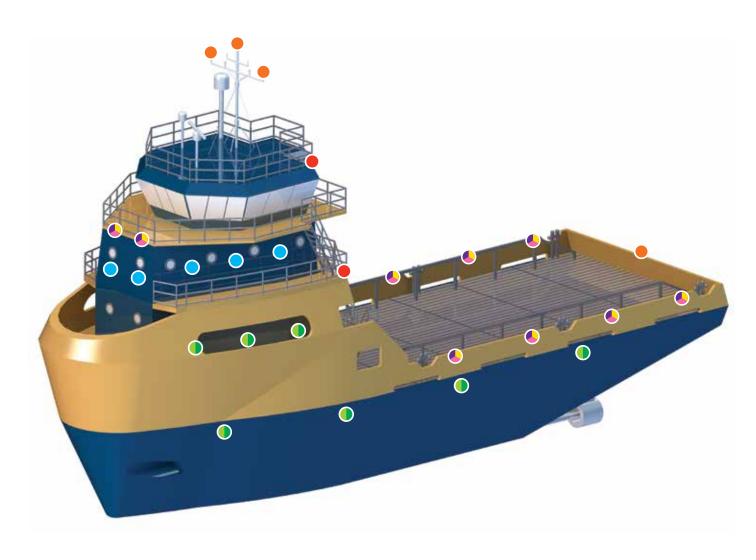

We test our fixtures by exposing them to the harsh conditions they are designed for – shock, vibration, extreme water intrusion, salt spray ... Phoenix sends every fixture out the door with the confidence that it will stand up to the challenges of the marine environment.

Coming Soon

ModCom® 3 Series Heavy Duty LED Floodlight

Patents pending

- The next generation of durable, compact, marine-rated fixtures ideal for above-deck lighting
- · Optional lighting controls that enable color tuning, power monitoring and preventative maintenance notifications
- Various custom designed optics expertly direct light and maximize fixture performance

Wattage up to 110W, 220W (pictured) or 410W Lumens up to 14.500, 29.000 or 50.000 Warranty 5 years

EcoMod® 2 Series Heavy Duty LED Floodlight

Patents pending

- Durable, compact, surface-mounted fixture designed for general area illumination
- Ideal for installation on vessels, barges or cranes
- · Optic options available

Wattage up to 125W, 240W (pictured) or 355W Lumens up to 14,000, 28,000 or 42,000 Warranty 5 years

ModCom® 2 Series Hazardous Rated LED Floodlight

US Design Patent No. US D805,241 S

- Durable, compact, surface-mounted fixture designed for hazardous locations
- · Available in AC and DC
- · Optic options available

Wattage up to 125W, 240W (pictured) or 355W Lumens up to 14,000, 28,000 or 42,000 Warranty 5 years

Command Flood® Series

Marine Grade Floodlight

- · Industry-leading above-deck floodlight
- Stainless steel bracket and hardware for maximum corrosion resistance
- Optional, adjustable waterline security bracket with SYM 1218.3 plug (replacement for SYM 303.X)

Wattage 120W (pictured), 240W or 360W Lumens up to 15,300, 32,000 or 48,000 Warranty 5 years

SturdiLED® Super-rough Service LED Floodlight

US Design Patent No. US D708,776

- Potted driver, conformal coated circuit board and rugged shock mount base provides maximum vibration resistance
- Replaces up to 150W HID or 500W quartz halogen
- Available with cool white and red LEDs

Wattage 37W Lumens 2900 Warranty 5 years

Sturdilite® Grind 18W LED Floodlight

- · Compact, yet durable design
- Energy efficient and replaces up to 250W quartz halogen fixtures

Flood & Deck Lighting *ABS

• Magnetic base accessory is available

Wattage 18W Lumens up to 2500 Warranty 5 years

Sturdilite® Master Series Low-voltage LED Floodlight

- Durable, economic LED option for DC applications
- Ideal for workboats and mobile equipment
- Available with cool white and amber LEDs

Wattage up to 24W, 48W or 82W Lumens up to 2500, 5000 or 7600 Warranty 3 years

Midline™ Flood Marine Industrial LED Floodlight

- Made to withstand maximum shock and vibration
- IP66, weatherproof polycarbonate lens
- 316 stainless steel mounting harp for maximum corrosion resistance

Lumens up to 9200 Warranty 5 years

Accessway & General Area Lighting *ABS

Wavfinder™ LED Accessway Light

Patent Pending

- Projects up to 1100 lumens to walkways, stairways and other small areas
- Clear and diffuse lens options
- Integral emergency battery backup (EMB) option keeps the fixture illuminated for up to 120 minutes during power interruptions

Wattage 9W Lumens up to 1100 Warranty 5 years

CVO **LED Area Light**

- Ideal for use on narrow pathways as well as general wall or pole mount lighting
- Hazardous location (HAZ) and marine (MAR) options available in cool white and warm white LEDs

Cube-Light Compact LED Area Light

Australian Design No. 359170; US Patent No. D762,321 S

- Simple, yet durable 13W LED area light
- Compact design makes it ideal for use along accessways and stairways and in small spaces
- Replaces up to 32W compact fluorescent vaporproof fixtures
- Available as a surface mount (shown) and wall mount in both AC and DC

Lumens up to 1000 Warranty 3 years

Metallic LED VP Series

Vaporproof Fixture & Retrofit Kit

US Design Patent No. D642,327; US8,348,476 B2; D650,518

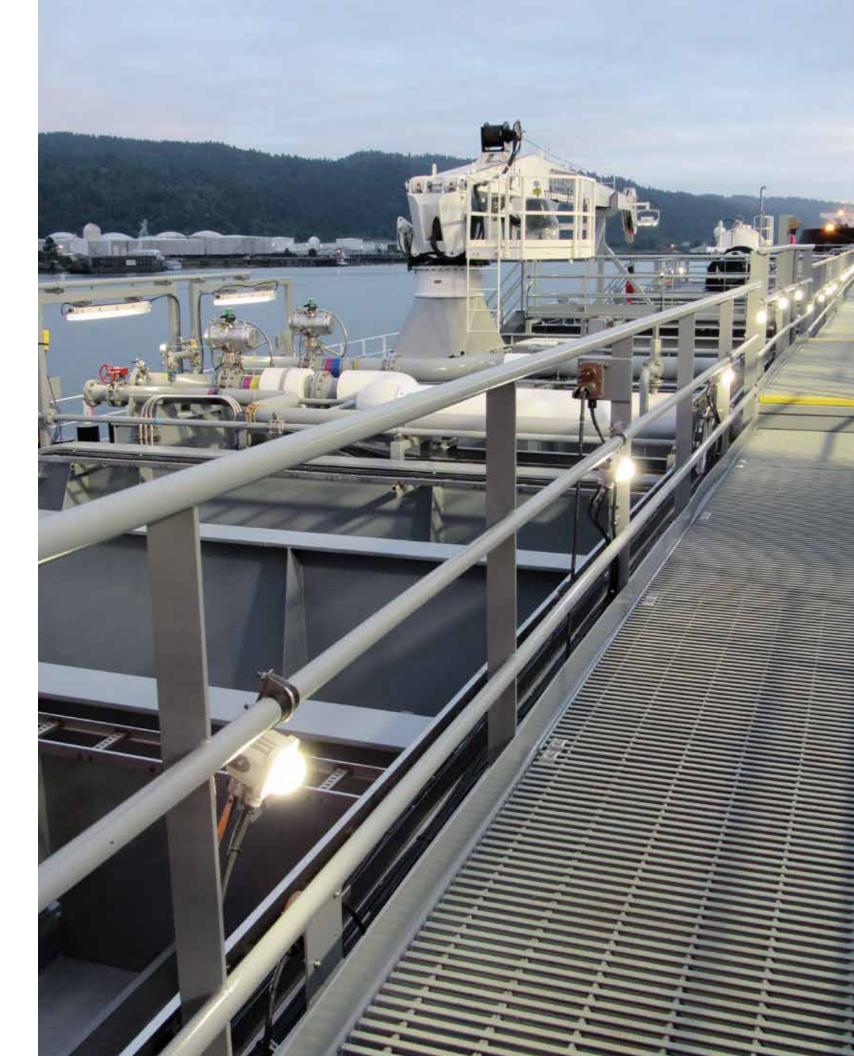

- Hazardous and marine-rated vaporproof fixture constructed of marine grade aluminum and fully sealed LED array
- Various colored globe options
- Easily retrofits or replaces up to 75W incandescent jelly-jar, vaporproof fixtures

Wattage 17W Lumens 1336 Warranty 5 years

Linear Lighting ABS

HDL-LED Series Heavy Duty LED

US Design Patent No. D720,875

- Designed to replace linear fluorescent fixtures and up to 400W HID floodlights
- Marine grade construction and potted driver
- Ideal for applications that require hazardous ratings
- Optional 90 minute emergency battery backup (EMB)

Wattage 28W, 55W (pictured) or 83W Lumens 2850, 5700 or 8550 Warranty 5 years

LEDLT LED Tube Light

- Instant-on, surface-mounted fixture designed to replace up to a 2 foot, 2 lamp 17W linear fluorescent
- · Lightweight design and impact resistant housing
- Ideal for use in a variety of marine applications
- · Available in AC and DC

Wattage 10W Lumens 1250 Warranty 5 years

ReadiLED™ Series

LED Snaplight® and Retrofit Tray

- Enhances safety and security for marine vessels and their crews
- Easily retrofits or replaces existing linear fluorescent fixtures
- Requires virtually no maintenance and eliminates lamp disposal concerns
- Emergency battery backup (EMB) option keeps the fixture illuminated for 120 minutes during power interruptions

Wattage 19W (pictured) or 38W

Lumens 1975 or 3617 Warranty 3 years

LFXB LED Series

Explosion-proof Linear LED

- Incorporates modern technology with the durability of Phoenix's original LFXB fixtures
- Competitively priced in 2 and 4 foot models
- Available with cool white or warm white LEDs and a 90 minute EMB option

Wattage 40W (pictured) or 80W Lumens 4200 or 8400 Warranty 3 years
